

## Verdeca; Folding roof with aluminium frame

### Ultimate flexibility with a sleek design

Enjoy extra living pleasure in the garden through ultimate flexibility. Who would not want that? The Verdeca roof canvas is made of a sun-resistant and water-resistant fabric. Are you sitting under this veranda and want to enjoy the sun? Then, with one push on the button, raise the canvas (partially) so you can immediately enjoy maximum light and the beautiful weather. If you prefer to sit in the shade or seek protection against wind, rain or UV radiation, you can close the screen with the same ease.

By adding glass sliding walls you can choose to extend your Verdeca veranda to a complete garden room. With the flexible Verdeca veranda, you can therefore enjoy optimum comfort at your terrace.

# Verdeca

The Verdeca veranda has a white water-repellent canvas and a grey colored frame from aluminium. In addition, the special geometric design ensures that the interior construction offers maximum strength and wind resistance to the aluminium profile. The veranda looks sleek and offers perfect visibility because the stainless steel connection elements and screws are concealed invisibly. In addition, the rain gutter is equipped with an anti-draft system, which prevents the wind from entering between the canvas, the rails and the rain gutter.

#### Integrated LED lighting in the beams

We have integrated dimmable LED light lines in the canvas. This way you can easily switch between practical, bright and atmospheric low beam lighting.

#### Effortless drainage of water

Rain water dripping down from the front? Not with the Verdeca veranda! The smart IDS (Integrated Drainage System) ensures invisible drainage of rainwater through the uprights at the front.

#### 100% water-repellent

The foldable canvas is 100% waterproof.

#### 6-wheel system

The innovative 6-wheel system carries the fabric up and down over the rail, silently, quickly and in a well-balanced way.

#### DETAILS

Aluminium colour	RAL7024
Canvas colour	White
Control	The Verdeca canvas and LED lighting can be controlled with the supplied SOMFY remote control.
